CORONA VIRUS LIVERY UPDATE

27th MARCH 2020

WEEKEND EQUINE EXERCISE ROTA

Each slot is for an hour unless otherwise noted. Please stick to your times, do not arrive before your time and please get on and get done and get gone! You must not loiter around, spend time grooming, chatting, drinking tea and generally faffing 😊 Most slots include tack up and un-tack time (except if you are already on site e.g. a DIY or steeplechase horse), so the ridden/lunge part is a quick health & maintenance ride/exercise for your horse.

Please, please, please respect the fact that we're trying to accommodate EVERYONE'S NEEDS and we must protect the health and welfare of our staff by minimising footfall and mingling on the yard.
