

Great Bookham Equine Exercise Rota

From 11th May 2020

To search for your slots, click & hold CTRL & 'F' and then type in your horse's name.

IMPORTANT NOTES TO BEAR IN MIND

1. Some horses have more allocations because of medical needs, in rehabilitation or because they have multiple riders.
2. There's no specific limit on number of times/week, so you can request extra allocations that fit within empty slots. You might have extras already, please check!
3. If your times aren't suitable, you can request to change to a spare slot.
4. Medical care slot is shown with ©
5. Some timings have changed even though you didn't request a time change, this could be because horses are going to be out overnight.
6. Full/part liveries please book slots for both schooling & hacking; you don't need to tell us which is which.
DIY's in stables 40-51 book always book slots for schooling; book slots of hacking if NOT within your normal care slot.
Top Stables & Steppelchase: only book slots for schooling, no need to book at all for hacking.
7. Any session can be taught by an instructor. Please advise them to wash & sanitise hands when they arrive and observe strict social distancing at all times.

To request a change or addition, please email shows@gbec.info
