

Great Bookham Equine Exercise Rota

From Monday 16th to Sunday 22nd November

To search for your slots, click & hold CTRL & 'F' and then type in your horse's name.

To request a permanent change, email admin@gbec.info For one-off changes text the yard

IMPORTANT NOTES

1. Some horses have more allocations because of medical needs or in rehabilitation. Medical care slot is shown with © , rehabilitation exercise marked with (R)
2. Shaded slots are unavailable. Some slots are reserved for the variable bookings.
3. If your times aren't suitable, you can request to change to a **spare** slot. At the moment you cannot have more than 4 slots per horse per week.
4. Full/part liveries should have booked slots for both schooling & hacking; you don't need to tell us which is which. DIY's in stables 40-51 book book slots for schooling; book slots of hacking if NOT within your normal care slot. Top Stables & Steeplechase: only book slots for schooling, no need to book at all for hacking. Additional & Occasional: after the final timetable is published, please contact the yard mobile to add on occasional or additional bookings or for saddler, physio or vet.
5. Currently instructors are NOT permitted, but you can have a trainer to ride in one of your slots (let us know if this is the case).
6. Please update your livery diary bookings.
